

Calling all Solihull Beavers, Cubs, Scouts, Explorers, Network and Leaders

COVID-19 may have changed the way we do things, but it won't stop Scouts camping!

#CampAtHome.

By taking part in this each Young Person who takes part will be entitled to 1 Night Away for each night they participate (as long as they aren't sleeping in their bed). To qualify for a night away each young person must:

- Pack a bag – what needed for that night's sleep.
- Pitch a tent or just sleep under the stars in your garden / build a den at home (whatever you can do).
- Sleep in your shelter of choice.
- Build a virtual 'campfire'.
- Take part in a "Scouty activity" – lots of activities from 5 minutes to 2 hours are covered in the "Great Indoors" on the Scout Association web site - <https://www.scouts.org.uk/the-great-indoors/>.
- Help with cooking a meal.

Take a photo and share with your young person's section leader to claim a night away.

There is nothing wrong with parents joining in as well and experience looking up at the stars in the night and hearing the dawn chorus from a completely new perspective.

Please ensure that every thing is carried out safely.

World Record attempt - 30th April 2020.

Co-ordinated by Northumberland Scouts, #CampAtHome on 30th April 2020, and with enough participants we could get a World Record. Once you have #CampAtHome register your participation here:
